

# Operations Policy

---

**Subject:** Distributed Generation Fees

**Policy No.:** 416

Responsibility: President/CEO

---

## I. Objective

This policy establishes Cullman Electric's application fees required for members to participate in available TVA programs that purchase distributed generation from qualifying member facilities. Available programs currently include Green Power Providers, Distributed Solar Solutions and Dispersed Power Production. These programs may be modified, renamed and or discontinued by TVA at any time however the fees described below will be applicable to qualifying systems of the sizes defined in each category regardless of the TVA program in place at the time. Applications fees listed below are to be received at the time of application and are in addition to all costs associated with engineering studies and system modifications necessary to accommodate the generating facility on Cullman Electric Cooperative's System.

## II. Policy

### A. Requirements

1. For any new Participation Agreements (PA) received by the Cooperative for participation in TVA's Green Power Providers (GPP), there will be a \$200 non-refundable program application fee for each PA for any renewable energy generation system 10 kW or less.
2. For any new PA received by the Cooperative for participation in GPP, there will be a \$500 non-refundable program application fee for each PA for any renewable energy generation system greater than 10 kW and less than or equal to 50 kW.
3. For any new application received by the Cooperative for participation in TVA's Distributed Solar Solutions (DSS), there will be a \$10 per kW non-refundable program application fee for each PA.
4. For any new application received by the Cooperative for participation in TVA's Dispersed Power Production, there will be a \$500 non-refundable program application fee along with a \$44.44 monthly administrative fee.
5. For each member requesting a Transfer of ownership, a non-refundable fee of \$200 will be required before the requested transfer be made.

The application fees and monthly administrative fees listed above represent the fees currently in effect and are subject to periodic revision under the Cooperative's Schedule of Fees and Services.

## III. Responsibility

The President and CEO and department Vice Presidents have the responsibility and authority to enforce this policy.
