

Cullman Electric Cooperative

Schedule of Fees & Services

Effective July 1, 2024

Service Fee

Membership Fee

\$ 5.00

Security Deposit

a. Residential*

Letter of credit or approved credit rating

\$ 0.00

Standard Deposit

\$350.00

b. General Service/Non-residential* – A deposit or suitable guaranty will be required of any non-residential customer before electric service is supplied. A suitable guaranty includes any of the following or combination thereof:

1. Surety bond
2. Irrevocable letter of credit from bank
3. Certificate of Deposit made payable to CEC and account name
4. Cash

The deposit amount for a non-residential account will be two (2) times the highest electric bill during to the most recent twenty-four (24) months if available. In addition to a security deposit, a non-residential account may be required to have account-holder sign a personal guaranty.

The estimated monthly bill may be determined by:

1. Previous actual usage at the location
2. Load data provided by the member
3. Usage of load information of comparable business

A non-residential member with an anticipated usage of less than 500 kWh (such as electric fences, tractor sheds, water pumps, grain bins, barns, hay barns, etc.) with a previous 12 month approved pay history with Cullman Electric Cooperative may be exempt from a deposit for the low usage service.

* Either party may review deposits upon request after 12 months of service and thereafter on an annual basis for the purpose of adjusting the deposit amount accordingly.

Origination Fee

\$75.00

Transfer Fee (using last read date)

\$35.00
